## **Press Accreditation Now Open for EXPODEFENSA 2017**

Press accreditation is now open for Expodefensa, international Defense and Security three domains (Air, Land and Naval) exhibition. Two months before the event, Expodefensa already seems to be the unmissable meeting for all the Defense and Security players of Latin America and worldwide. The exhibition runs 4-6 December 2017 in Bogota (Colombia), at the CORFERIAS center.

During three days of Expodefensa the press will have the opportunity to meet more than 250 exhibiting companies including international prime contractors and subcontractors, service providers, laboratories and institutes, international organisations, institutions and public bodies.

A dedicated conference cycle organized by the Ministry of National Defense of Colombia and Exhibitors conferences will allow media to hear from key Defense and Security players, to discover the latest and most innovative developments in the national and international Defense and Security industry and to meet the Latin American decision makers in the field.

Throughout Expodefensa media will be able to meet high-level visitors comprising 70 official delegations, specially identified high-calibre guests from more than 25 countries, armed and Security forces members and national and urban authorities.

All accredited journalists can access the entire exhibition floor, the complete conference programme and a fully-equipped press centre that will be open throughout the exhibition.

Media are advised to apply for a Press badge as soon as possible to ensure they receive the latest updates on exhibitors, the Expodefensa conference and any other news.
