## **EXPODEFENSA 2017 Conferences Programme Announced**

International exhibition Expodefensa is positioning as a knowledge hub where all stakeholders can exchange about the latest developments in the Defense and Security sector or about targeted technologies.

For 2017 edition of Expodefensa Conferences Programme is already announced. Media are welcome to cover two institutional conferences organized by the Colombian Ministry of National Defense, two workshops by IB Consultancy (on CBRN matters) and five Exhibitor conferences.

To address new Defense and Security issues, Expodefensa brings together decision-makers, operational staff and manufacturers from across the world at its international conferences. Running on 5th of December at Corferias International Business Center in Bogota, these conferences last about 90 minutes. They will cover two following topics: Colombian Acquisitions in Defense & Security sector and peace process in Colombia.

At Expodefensa 2017 media will have opportunity to assist Exhibitor conferences where exhibitors take advantage of professional, high-calibre visitors to present their products and their innovations to a first-rate audience. During a 20-minute slot, in 50 seats entirely equipped open space, exhibitors will present their company and promote their products on a topic of their choice. Exhibitors that have scheduled conferences include Electronica Submarina, Hisdesat, NAVAL Group and SAAB.

Besides international and Exhibitor conferences, Expodefensa welcome journalists to assist at two IB Consultancy workshops that will feature following topics: and “The Threat of CBRNe in Aviation” (on December the 4th) and “Current Trends in CBRNe in South America” (on Tuesday 5th December).
