26th November, Bogota

EXPODEFENSA 2019 IN ONE WEEK: WHAT'S NEW?

International security and defense exhibition, Expodefensa 2019, will take place in one week, from 2 to 4 December in Bogota (Colombia). It exhaustively covers all the four domains: Land, Sea, Air and Space. Find below what is new for this 7th edition of the trade fair.

Trends in equipment exhibited

Showcased equipment and products in 2019 include Mobile artillery - Maintenance and spare parts market for vehicles, helicopters, airplanes and boats - Air defense and very short, short and medium range antidrones - Projection mobile facilities (shelters, tents ...) - Software radios and tactical networks - Satellite segments for communications, GIS ... Combat drones (loitering) - Textile industry.

Innovation is highly driven by Colombian industry and international companies: Opticoelectron (Bulgaria), Adventures Lights (Canada), Anortec (Spain), Mack Defense (USA) and others.

Exhibiting countries

Expodefensa 2019 exhibitors will represent 25 countries. Among them, companies from Germany, Czech Republic, Turkey, Lithuania, Thailand, Bulgaria, Italy and Israel. Expodefensa will host 6 pavilions in 2019: Spain, Brazil, France, Israel, United Kingdom and United States. Spain is named as a country guest of honor and will be represented by 19 companies.
