Bogotá, 2nd of September 2021

Expodefensa 2021 – less than three months left before the event of reference for the entire Latin American continent!

The 7th edition of Expodefensa is coming soon. It's one of the most important events in the agenda of the international Security and Defense community, gathering exhibitors from five continents and high-level visitors. This year Expodefensa will take place in physical format from 29th of November to 1st of December 2021 in a bio-safe environment.

The threats facing the states of South America, beyond the defense issues themselves, namely drug trafficking, criminal organizations, migratory flows, cyber-attacks, natural and industrial disasters, the protection of centers exploitation of energy resources but also the new challenges raised by the Covid-19 pandemic, are present in development all over the world. In this way, the appropriate solutions of services and equipment offered at the event are of crucial interest both to the States of South America and to other countries in the world.

Expodefensa exhibition presents to professional visitors and Official delegations from all continents and particularly from Latin America and the Caribbean, new equipment and the latest technological innovations offered by international and Colombian companies to face all these issues.

Today, three months before the exhibition opening, organizers have already registered **companies from 17 countries and 4 continents**. Some of them like Brazil, France, Israel, Spain, Turkey or the USA will present their offer in national pavilions.

Among **first registered exhibitors** Expodefensa is glad to welcome Airbus SAS – Aselsan – CIAC – Cotecmar – Damen Shipyards – Elbit Systems LTD – General Dynamics Land Systems – Hensoldt – Indumil – Lacroix – MBDA – Navantia – Otokar – Rafael Advanced Defense Systems LTD – SAAB – Sikorsky / Lockheed Martin – Theon Sensors, ...

The 7th edition of Expodefensa will take place in the maximum safety and strictly respecting Colombian government sanitary rules. [CORFERIAS](#), the event's venue is bio-safe. It's certified by Bureau Veritas with the international SAFEGUARD label, and with the biosafety certification CHECK-IN certificate issued by the Ministry of Trade, Industry, and Tourism of Colombia.

Online Press accreditation will be open soon at www.expodefensa.com.co. Come to Bogotá from **29th of November to 1st of December 2021**. Looking forward to seeing you there!
